

# The Children's Center Habilitation Services

Providing services to people with  
developmental disabilities since 1978.

Our services are provided in stimulating, reinforcing, and motivating environments to maximize clients natural learning (life skills center, sensory gym, snoezlen room, playground, garden, etc.)

- One-on-one direct habilitation services for all ages
- Emphasis on teaching life skills to maximize independence in home and community settings
- Habilitation staff are state certified in positive client behavioral support training (CIT)
- Staff trained in alternative communication (AAC) skills support, and sensory diet support.
